Audience:

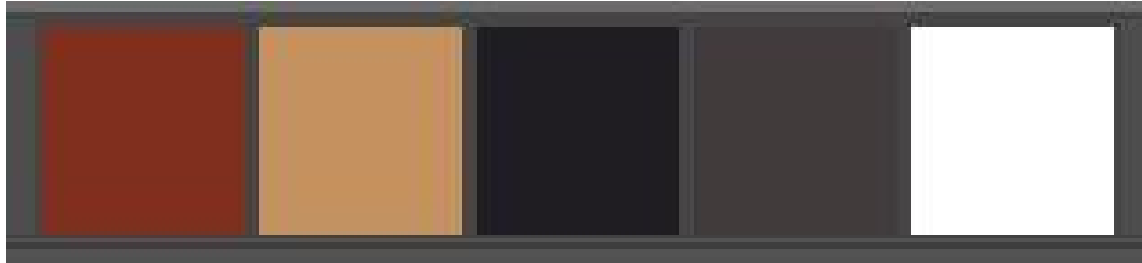

- This book is a true crime novel about a podcaster; something young adults are interested in, about ages 25-40.
- Most of the Reviews are from women.
- People who read this book probably also listen to true crime podcasts and read mystery books.

Color Studies

A lot of my images have similar colors like red, gray, black, and white. One has brown/gold. Murder mysteries and true crime also bring these colors to mind, especially red and black.
